

Papakowhai School Board of Trustees
Minutes of Additional Meeting 22 November 2017
at 7.00pm in the staffroom

BOT Present	Gary Tonkin (Chair)- GT Mark Smith (Principal)-MS Melanie Richardson-MR Craig Hill- CH Nathan Grennell- NG Craig Brown CB
--------------------	--

Tabled Rangikura's proposed zone.

Discussion as to why it includes all of Aotea.

The new unzoned part of Aotea needed to be connected with Ascot Park.

There is no change for Papakowhai families for 2018.

Discussed impact on other Porirua Schools.

We discussed that 2019 is critical that the Papakowhai School roll cannot grow further.

The 2018 peak roll is projected at 495 in November.

We had 17 siblings of current students from Aotea in 2017

What needs to be communicated?

Currently we have no objection to the Rangikura School zone proposal.

Students can enrol from the existing Papakowhai School zone even if it overlaps with Rangikura.

Our expectation is that the proposed Rangikura zone is an interim zone.

We would want all zones reconsidered if a new school is established.

Clearly restate to our community that our zone is reducing for 2019.

We will be seeking help from the MOE to determine the optimal zone for 2019.

Actions

Craig Brown will draft a communication to Rangikura School and to our community.

Gary Tonkin will contact the MOE about support to determine our 2019 enrolment zone.

Meeting finished at 7:50pm
